WHY JOIN KATFACS?

The mission of KATFACS is to provide leadership and support to FACS professionals who provide education to individuals, families, and communities. KATFACS will help enhance professional relationships, advocate for FACS, provide resources, and networking opportunities. Furthermore, KATFACS will provide an opportunity for members to address issues at state and national level that are of importance to Family and Consumer Sciences education. KATFACS will provide a venue for the exchange of ideas and resources as well as enhance communication within our profession as a whole.
